

## Bethany L. Sensenig Joins Supernus' Board of Directors

August 21, 2023

ROCKVILLE, Md., Aug. 21, 2023 (GLOBE NEWSWIRE) -- Supernus Pharmaceuticals, Inc. (Nasdaq: SUPN), a biopharmaceutical company focused on developing and commercializing products for the treatment of central nervous system (CNS) diseases, announced today that Bethany L. Sensenig has joined the Supernus Board of Directors effective immediately. Ms. Sensenig has over twenty years of business and strategic financial leadership experience in the pharmaceutical and biotechnology sectors. The appointment will increase the size of the Supernus board to seven members.

"Bethany brings a wealth of industry knowledge and expertise to the Company's board," said Jack Khattar, President and CEO of Supernus Pharmaceuticals. "As we continue to grow our commercial business, advance our pipeline and build our organization through corporate development, her strategic insights and operational and financial experience will be important for Supernus."

"I am pleased to join the board of Supernus and look forward to working with the other board members and the Supernus management team as the Company advances its mission of developing and commercializing products for the treatment of CNS diseases," said Ms. Sensenig.

Ms. Sensenig was most recently Chief Financial Officer and Interim Chief Executive Officer of 9 Meters Biopharma, a clinical-stage biotechnology company. Prior to that, Ms. Sensenig was Chief Financial Officer and Head of U.S. Operations of Minovia Therapeutics, Ltd., a clinical-stage biotechnology company, where she played a critical leadership role in building the company's business and financing strategy. She spent 13 years at Biogen Inc., a multinational biotechnology company, where she held several positions of increasing responsibility, the latest of which was Vice President of Finance and Commercial Operations. Ms. Sensenig has played key roles in numerous transactions and acquisition-related deals totaling over \$2 billion across Biogen and Minovia and had direct P&L accountability at Biogen for upwards of \$1 billion in annual revenue across 30 countries spanning the U.S., Asia-Pacific, Latin America and Europe. Earlier in her career, Ms. Sensenig held financial management and analyst roles at Merck & Co. Inc. and Nexus Technologies, Inc.

Ms. Sensenig holds a Bachelor of Science in Accounting and Business Management from Montreat College, a Master of Business Administration from Western Carolina University and is a Certified Management Accountant.

### About Supernus Pharmaceuticals, Inc.

Supernus Pharmaceuticals is a biopharmaceutical company focused on developing and commercializing products for the treatment of central nervous system (CNS) diseases.

Our diverse neuroscience portfolio includes approved treatments for epilepsy, migraine, ADHD, hypomobility in Parkinson's disease (PD), cervical dystonia, chronic sialorrhea, dyskinesia in PD patients receiving levodopa-based therapy, and drug-induced extrapyramidal reactions in adult patients. We are developing a broad range of novel CNS product candidates including new potential treatments for hypomobility in PD, epilepsy, depression, and other CNS disorders.
